Dalla continua evoluzione del mercato e dalla crescente richiesta di soluzioni professionali per macellerie e gastronomie, nasce BRX Zero – Butchery & Gastronomy, la nuova divisione di BRX.

Con oltre vent'anni di esperienza nel settore della refrigerazione e una profonda conoscenza dell'acciaio e degli impianti frigoriferi, BRX ha costruito la propria reputazione su qualità costruttiva, innovazione e artigianalità. La nostra missione è offrire prodotti altamente personalizzabili, capaci di rispondere alle esigenze specifiche di ogni cliente e di garantire performance eccellenti nel tempo.

BRX Zero rappresenta l'evoluzione naturale di questa esperienza, con l'obiettivo di diventare un punto di riferimento per chi cerca soluzioni professionali e su misura. I nostri banchi refrigerati e le nostre vetrine sono il risultato di un perfetto equilibrio tra tradizione e tecnologia, pensati per valorizzare al meglio i prodotti esposti e semplificare il lavoro quotidiano degli operatori.

Benvenuti nel mondo di BRX Zero: dove innovazione e artigianalità si uniscono per dare forma a ogni vostro progetto.

BRX Zero – Meat & Delicatessen, the new BRX division, has been created in response to today's fast-evolving market and the growing demand for professional solutions in these areas.

With more than twenty years' experience in refrigeration and in-depth knowledge of steel and cooling systems, BRX has built its reputation on construction quality, innovation and craftsmanship. It is our mission to offer highly customisable products able to meet every customer's specific needs and guarantee excellent performance over time.

BRX Zero has evolved naturally from this experience, to become the benchmark for everyone seeking bespoke professional solutions. Our refrigerated counters and display cases balance tradition and technology to perfection, ensuring optimal presentation of the products on show and simplifying daily tasks for personnel.

Welcome to the world of BRX Zero: where innovation and craftsmanship combine to give shape to all your projects.
